POST CARD

Dear Edna :- How glad I was
to receive your splendid letter!
Seemed like the return of a long-lost
friend.

Am going to try to answer soon.
The picture of the church isn't exactly
satisfactory in some ways, but gives you
a glimpse of the side entrance and
nave. It is hard to get the front of
church as a "stained" telephone pole stands
opposite front door. Church is light brick
with pretty inside. Your friend Edna Bennett
